

Short Terms Training Programme

A Short Term Training Programme on "Multimedia and Web Based Content Management System" is organized from 6th to 18th DEC 2010 approved by ISTE New Delhi.

This training programme is basically Multi-Disciplinary. The main objective of the programme is to acquaint the participant with advance issue of the Web Based Content Management Systems and to acquire skills and develop an understanding of the issues surrounding the content based management system.

A Web Content Management System (WCMS) is a software system which provides website authoring and administration tools designed to allow users with specific knowledge of web programming tools or markup languages to create and manage the site's content with relative ease.

This training programme will cover the tools which are basically used in Web Based Content Management Systems. The Faculty members/ME/MTech/PhD students of engineering colleges recognized by AICTE were eligible to attend this course

Inauguration of Two weeks ISTE Sponsored STTP workshop by Principal Dr. V. T. Ingole along with HOD Dr. G.R.Bamnote, Department of Computer Sci. & Engg., and Prof. A.P.Bodkhe HOD Information Technology, P.R.M.I.T & R, Badnera.

Expert Lectures

09-Jul-2010

Cloud Computing.

Mr. Yeshwant Kulkarni, Senior Associate TCS, Pune.

Mr. James Maslamani, Academic Relation Manager TCS, Pune

02-Sep-2010

HR & Soft skills development & its roll in campus selection.

Mr. Shrikant S. Borgaonkar, Pioneer Learning System, Amravati.

21-Sep-2010

Generic & Collections based on Advance J2SE.

Mr. Sonalkumar Agarkar, Cognizant Pune.
