

TECHKNOW EXPERTS 2010

"Whatever it is in life, it's hard to do it on your own" said by Experts in Tech-know Experts 2009. The objective of this technical festival is to provide platform to the budding engineers from various institute of India, who are interested in multi disciplinary fields. This platform help to exchange the view about latest technology and information interchange between researcher and developers working in different technical fields. We are confident, when student enjoy the events like Robotics, Software development/Web Design, Projects, Quiz Contest, LAN-Gaming, Aqua-boat, Blind Racing, Model making they become TECH-KNOW EXPERTS of 2010 in real sense of world.

On that graceful occasion, our chief guest Dr. Kamal Singh had inaugurated the function with President of PRMIT&R Mr. Sandeep Meghe, Principal of PRMIT&R Dr. V. T. Ingole, HOD CSE Dept Dr. G. R. Bamnote. In Software development and web designing student ask to implement their ideas on Technology into realty on the spot, in blind programming student ask to switch off monitor and write program, the student who have less no of errors will win the competition, in silly errors participates have to remove errors from the given program will win.

LAN gaming includes various multiuser games such as need for speed, counter strike etc. It is a multiuser competition in which multiple users can play games amongst themselves over LAN.

There is very good response from students coming from various colleges, these types of activities are always for the student to explore the talent and ideas on National Level Platform. This is largest entry event in the techknow expert since it would organized.
