

Will Harris workshop-ABC of Success

A Raosaheb Shekhawat addressing the programme as others look on.

'Confidence, positive attitude must for achieving success'

■ Amravati Bureau
AMRAVATI, July 25

A WORKSHOP on 'ABCs of Success' for achieving success in the life was organised at Prof Ram Meghe Institute of Research and Technology here recently. Will Harris, an international entrepreneur from United States of America taught the skills to college students needed to excel in their studies and in their life in the workshop.

MLA Raosaheb Shekhawat inaugurated the workshop. Dr Nitin Dhande, President of Vidarbha Youth Welfare Society, chaired the programme while Prof Vinay Gohad, Vice-President of Vidarbha Youth Welfare Society, Pankaj Deshmukh, Treasurer, Prof Hemant Deshmukh,

Executive Committee Member, and Prof Amol Bodakhe, Principal of the college, were present as the guests of honour.

Guiding on the occasion, Will Harris said that he has reached to the peak of the success in his life finding out solutions on problems and hurdles in the life. He shared his experiences before the students on the occasion. He also guided on confidence, positive attitude, facing the tension in the life and other things.

MLA Raosaheb Shekhawat in his presidential speech asserted the need of confidence and positive attitude for achieving success in life.

Dr Nitin Dhande in his presidential speech said that students have got good opportunity to achieve their

all round development by taking guidance from Will Harris. He also expressed his gratitude towards MLA Raosaheb Shekhawat for availing the guidance of Will Harris to students.

Will Harris presented copies of the book 'Will power now' to students duly signed by him. Large number of students participated in the workshop. Kshama Deshmukh and Rashi Dhande conducted the proceedings. Students activists Charuhendra Kurhekar, Abhijit Padlamwar, Skshi Rathod, Shruti Chandak and Aniket Malode extended their support for the successful organisation of the programme. Dr N W Kale, Prof Ravi Hirulkar, Prof Shrikant Deshmukh and Prof Niku Khalsa worked for success of programme.
