

ONE DAY SEMINAR on “PRECAUTIONS TO BE TAKEN DURING EXECUTION OF THE CONCRETE WORK” at PROF. RAM MEGHE INSTITUTE OF TECHNOLOGY & RESEARCH, Badnera

One day seminar on “**Precautions to be taken during execution of the Concrete Work**” was organized at Department of Civil Engineering, Prof. Ram Meghe Institute of Technology & Research, Badnera-Amravati.

The said seminar was organized by HOBBY CLUB, Department of Civil Engineering for making students aware about construction practices observed on construction sites in civil engineering works.

The Guest Speaker was **Er. P. D. Chaudhary, Sub Divisional Engineer (Retd.) Quality Control Sub Division, Amravati**. At the outset, Miss Devashri Varhade, initiated the program with inaugural speech by giving a brief idea about the organized expert lectures. The Guest Speakers were welcomed at hands of Prof. Dr P. A. Kadu, H.O.D, Civil Engineering department by floral bouquet.

The Guest Speaker had well explained about precautions to be taken during execution of the cement concrete. He also explained various methods of mixing, standard specifications to be followed, proportions to be maintained and many more things which definitely are helpful to students in future practice. He also shared his experiences with the students. An interactive and elaborative question answer session was also carried out simultaneously. He appreciated the response from staff & students and also the arrangement made for the seminar. Vote of thanks was proposed by Miss Akshata Jaiswal.

Under the guidance of Principal, Prof. Dr M. S. Ali, PRMIT&R, Badnera, Amravati and under supervision of Prof. Dr P. A. Kadu, HOD, Civil Engineering the program was conducted.

Prof. Milind V. Mohod, Hobby Club coordinator, HOBBY CLUB students coordinators Vaibhav Chauhan , Pavan Pohekar and other Teaching & Non-Teaching Staff worked hard for the success of the seminar.
