NEWS LETTER

A Departmental Newsletter

Issue:- XII, Volume- XXIII, 2025-26

Vision & Mission of the Institute

VISION

To become a **pace-setting centre of excellence** believing in three universal values namely **Synergy, Trust and Passion**, with **zeal to serve the Nation** in the global scenario

MISSION

M1. To achieve the highest standard technical education through state of the art pedagogy and enhanced industry institute linkages

M2. To inculcate the culture of research in core and emerging areas

M3. To strive for overall development of students so as to nurture ingenious technocrats as well as responsible citizens

Vision & Mission of the Department Information Technology

VISION

Attaining growing needs of industry and society through Information Technology with ethical values

MISSION

To become leading education center by inspiring the students to become competent IT Engineers

To make students more innovative and research oriented, to improve their ability to provide appropriate support for industry and society

To train students to adapt the life-long learning with ethical values

Message from the HOD's Desk:

Dear Readers,

It gives me great pleasure to present **Issue XII, Volume XXIII (2025–26)** of our **Information Technology Departmental Newsletter**. This edition reflects the creativity, dedication, and achievements of our students and faculty, showcasing the dynamic spirit of our department.

As technology rapidly evolves, our department remains committed to fostering innovation, encouraging research, and nurturing technically skilled and ethically responsible professionals. I sincerely appreciate the efforts of our faculty, the enthusiasm of our students, and the support of our alumni and industry partners in driving our department forward.

I hope this edition inspires its readers, celebrates our shared achievements, and reaffirms our commitment to building a future-ready IT community.

Best wishes to all for a successful and fulfilling academic year ahead.

Prof.(Dr.) A. S. Alvi

Head of the Department

Department of Information Technology

“Poster Making & Presentation Competition”

Department of Information Technology, IE(I) & IETE student chapter & of Prof. Ram Meghe Institute of Technology & Research Badnera had organized a **Poster Making & Presentation Competition** on the occasion of Ethical Week celebration. The participation of students was wholehearted. Students made a Posters related to the theme Risk and benefits of Technology and presented it in front of the judges and audience. Winners were selected on the parameters like, Confidence in presentation, creativity in the poster making, clarity in conveying message to the audience. The program was inaugurated at the hands of Prof. Dr. G R Bamnote, Principal, PRMIT&R, Badnera, Dr. P. V. Ingole, Head of Information Technology Department and senior professors Dr. A. S. Alvi, Prof. S.V. Dhopte, Prof. S. S. Kulkarni, Dr. P. P. Deshmukh, Prof. Ms. M. S. Deshmukh and all other faculty members were present for the event.

Posters demonstrated and presented by students

Competition was held on 25th Sept 2025

Prof. Dr. P P Deshmukh, Prof. Dr. M S Deshmukh, Prof. P V Dudhe were invited as a judge of event. All staff members along with students of 1st, 2nd, 3rd and final year IT students attended the event. As per the evaluation of judges students were declared as winner. The students were guided to prepare a poster on given theme using e resources and their own ideas by the event coordinator Prof. N V Kadam and Student coordinators of the event actively contributed for the event.

Glimpses of Poster Making & Presentation Competition

“Movie Making & Presentation Competition ”

Department of Information Technology, IE(I) & IETE student chapter & of Prof. Ram Meghe Institute of Technology & Research Badnera had organized a **Movie Making & Presentation Competition** on the occasion of Ethical Week celebration. The participation of students was wholehearted. Students made a movie clip related to the theme on AI Tools and presented it in front of the judges and audience. Winners were selected on the parameters like, Confidence in presentation, creativity in the movie clip, clarity in conveying message to the audience. Theme of the event was “AI Tools Advantages and Disadvantages” which talks This technology undoubtedly brings along many advantages, including greater efficiency, better communication methods and information exchange, health care advancement and quality of life improvement, driving the economic growth and creating innovation as it keeps moving forward in changing industries and the nature of daily experience.

Students presentation in Movie Making & Presentation Competition

Artificial Intelligence (AI) tools offer several advantages, making them highly valuable across various fields. They can process large amounts of data quickly and with high accuracy, reducing human errors and improving decision-making. AI also automates repetitive tasks, saving time and increasing productivity, while providing 24/7 availability without fatigue. These tools can personalize user experiences and help organizations reduce long-term operational costs through efficient automation. However, AI tools also come with certain disadvantages. They require high initial costs for development, implementation, and maintenance. AI lacks human judgment and emotional understanding, so

it may struggle with ethical or sensitive situations. There is also a risk of job displacement as automation replaces manual tasks. Additionally, AI systems can produce biased results if the training data is biased, and they raise concerns related to privacy, security, and over-dependence on technology. AI may also fail in unexpected situations that fall outside its training. Overall, AI tools are powerful but must be used carefully and responsibly. The program was inaugurated at the hands of Dr. P. V. Ingole, Then Head of Information Technology Department and senior professors Prof. S.V. Dhopte, Prof. S. S. Kulkarni, Dr. A. S. Alvi, Dr. P. P. Deshmukh, Prof. Ms. M. S. Deshmukh and all other faculty members were present for the event. Dr. U. V. Nikam, Dr. A. W. Burange and Dr. S. D. Thakur were invited as a judge of event. All staff members along with students of 2nd, 3rd and final year IT students attended the event.

As per the evaluation of judges following students were declared as winner.

1. **Jay Jadhao- 1st Winner.**
2. **Avinash Gavhane – 2nd Winner.**

The students were guided to prepare a movie on given theme using e resources and their own ideas by the event organizers Prof. P. V. Dudhe, Prof. P. R. Nerkar and Pof. S. N. Sarda. Student coordinators of the event were Ayan Shah (Third Yr. IT), Kashaf (Third Yr. IT), Yash Kale (Third Yr. IT), Unnati Mandve (Second Yr. IT) and many other students actively contributed for the event.

Role Play Activity

The Information Technology Department organized a Role Play Activity as a part of the Ethical Week Celebration on 24th September 2025. The purpose of this event was to enhance ethical awareness among students and encourage them to understand and present various ethical issues related to the IT field. A total of 50 students from 2nd Year. 3rd Year. and Final Year

Students performing Role Play Activity

topics, highlighting real-life ethical challenges and the importance of professional integrity in Information Technology. The participants showcased commendable communication skills, creativity, and a strong understanding of ethical principles. After careful evaluation based on content quality, presentation skills, originality, and relevance to ethics, the following winners were selected:

1st Winner: Shantanu Umap, 4th Year, Section B

2nd Winner: Unnati Madve, 2nd Year, Section B

The event was conducted successfully under the guidance and support of the following faculty members of the Information Technology Department: Dr. Nikhil Band, Dr. Umesh Nikam, Dr. Priyanka Chorey

Their coordination and encouragement played a key role in the smooth execution of the activity. The event significantly contributed to enhancing ethical understanding among students and added value to the Ethical Week celebration. Overall, the Role Play Activity was a great success and helped students gain deeper insights into ethics in the IT profession.

A Lecture “Importance of Ethical and Moral values”

A lecture on the Importance of Ethical and Moral Values was delivered by Prof. Dr. P. V. Ingole on the occasion of Ethical Week Celebration in Information Technology Department on 24th September 2025. The session was organized to install a deeper understanding of ethics and morality in students encouraging them to adopt these values in their personal and professional lives. This lecture was organized for B.Tech Second year students

of both the sections. Total 125 students attended the expert lecture by Prof. Dr. P. V. Ingole.

The session began with a brief introduction by O, highlighting the necessity of fostering ethical awareness in today's dynamic and competitive environment. He emphasises on the roles of ethics and morality in character building, the impact of ethical behavior on professional success and societal harmony, challenges posed by unethical practices in contemporary society, Strategies to nurture moral values in students through education and practice, relevance of ethical values in building trustworthy relationships.

Prof. (Dr.) P. V. Ingole delivering lecture on Importance of Ethical and Moral Values

The Expert shared numerous examples, drawing from both historical and modern contexts, to illustrate how ethical values influence decision-making and long-term success. Special emphasis was placed on values such as honesty, integrity, empathy, and respect, which are crucial for personal growth and a peaceful coexistence.

The session also included a discussion where attendees had the opportunity to interact and share their perspectives. Questions from students about real-life ethical dilemmas were answered with clarity and practical advice by the speaker. In conclusion, sir urged the audience to lead by example, emphasizing that every individual has the responsibility to uphold ethical standards and contribute to a better society.

The event concluded with a vote of thanks by Dr. P.P. Deshmukh, Coordinator Ethical Week Celebration program who acknowledged the efforts of the Head of Department in delivering an inspiring and thought-provoking lecture. Participants appreciated the session and expressed their intent to apply the lessons learned in their everyday lives. The class teachers of both the sections have motivated students to attend the lecture.

Achievement

- Ayuti Pendhari (3rd Year IT) from PRMIT&R, Badnera**

COLOUR COAT in Chess for year 2025-26 and now will be a part of team (6 teammate) to represent Sant Gadge Baba Amravati University (SGBAU) at Jaipur for 5 state West Zone 2025 tournament.

- Miss. Rutuja Pande, (3rd Year IT Section A) from PRMIT&R, Badnera**

First prize in Purushottam Karandak organised at Sipna college of Engineering Amravati.

- Shrutika Vaidya, (3rd Year IT Section A) from PRMIT&R, Badnera**

Represented Sant Gadge Baba Amravati University (SGBAU) at the State Level Youth Festival – Indradhanushya 2025 and made us all proud by securing 1st position in the Folk Dance (Group) category.

She have been selected for the 1st position in folk dance at the AIU Inter-University Central Zone Youth Festival Sambhajinagar and now qualified for nationals.

- **Prof.(Dr.) A. S. Alvi, Head of the Department, Information Technology**

Awarded with prestigious “Award for Faculty of the Year at LEAP2025” by London School of Digital Business

- **Dr. N.S.Band Asst. Professor, Information Technology awarded with PhD**

Editorial Board

As we approach the **Issue:- XII, Volume- XXIII, 2025-26**, we are pleased to bring you the latest edition of our departmental newsletter. This issue highlights the remarkable work and achievements of our faculty, staff, and students over the past few months. From groundbreaking research to community outreach, our department continues to excel in all areas, reflecting the dedication and passion that define our collective efforts. We encourage you to contribute to future editions by sharing your news, achievements, and insights. Your involvement is crucial in helping us create a newsletter that truly reflects the diverse and dynamic nature of our department.

Thank you for your continued support and engagement. We hope you find this edition both informative and inspiring.

Best regards,

Dr. Pranjali P. Deshmukh Dr. Himanshu D. Kale
