**Teacher Guardian Scheme**

**Mentor-Mentee Ratio (Session 2021-2022)**

The teachers of the institution take up the responsibility of safeguarding and nurturing the newly admitted students. This scheme, which is perhaps the only one of its kind, guarantees additional assurance to the newcomers and takes some burden off the parents and lessens their anxiety. Students are free to contact the counseling service with a wide range of worries, including personal, home and family relationships, depression, anxiety and loneliness. Poor performance of students should be improved by way of counseling under the scheme
