

ACADEMIC YEAR 2021 - 22

The details/proofs of various capacity building and skills enhancement initiatives such as Soft skills, Language and communication skills, Life skills and ICT/computing skills trainings taken by the institution for **Academic Year 2021 -22** is as follows:

1. Soft Skill and Basic Aptitude Training for Second Year Students

Department of Training and Placement

Notice

Date: 24.02.2022

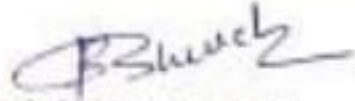

Campus Recruitment Training (CRT) Program: 2024 Batch

Considering our past experience of successful recruitment and in order to further improve the performance of our students in various campus recruitment drives, it is decided to provide **Campus Recruitment Training (CRT)** to our Second year students. The CRT will be conducted as follows. The dates of CRT program will be informed to you soon.

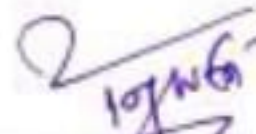

Sr No	Semester / Level	Tentative Schedule	No of days	Type of Training
1	IV sem	7 th March, 2022 to 12 March, 2022	6	Basics of Aptitude and Soft Skills
2	IV sem	During IV sem	--	AMCAT Attempt-1
2	V Sem	Start of V sem	-	Psychometric test
3	V sem	Start of V sem	6	Basics of Technical
4	VI Sem	Start of VI sem	6	Basic to Advance Aptitude Training
5	VI sem	VI sem	-	AMCAT Attempt- 2
5	VII Sem	Start of VII	6 to 10 days	Advance Technical Training
6	VII Sem	During the Placement Drives	4 days	Company specific Brush-up sessions

All Second Year students are required to enroll for this program. The fees /charges for this entire program are Rs 4000/- (Rs Four Thousand only). The students need to pay Rs. 2000/- as partial payment towards the training program before on or 3rd March, 2022. The remaining fees will be due in V semester. Those students who will pay the fees in time shall only be allowed to attend the training class. After paying the fees, students need to fill the Google form available with the training coordinators of your department for registering to the CRT program.

You are informed to adequately notify the Second year students about the aforesaid training program and instruct the concerned faculty to monitor the registration and payment of fees. The batches, training time slots and seating arrangement will be notifying you soon. All registered students must attend classes regularly.

Digital Poster Presentation Competition_Theme: "Effect of COVID-19 on Society"

Competition hosted on date 15th Sept 2021

Department of Information Technology, IE(I) & IETE student chapter & of Prof. Ram Meghe Institute of Technology & Research Badnera organized an online event **Digital Poster Presentation Competition** on the occasion of engineers day. The participation of students was wholehearted; they presented their digital posters online through zoom software. Theme of the event was "Effect of COVID-19 on Society". Each poster presented was delivering one meaningful message in accordance to COVID 19 situation. The program was inaugurated at the hands of Dr. P. V. Ingole, Head of Information Technology Department.

As per the evaluation of judges following students were declared as winner.

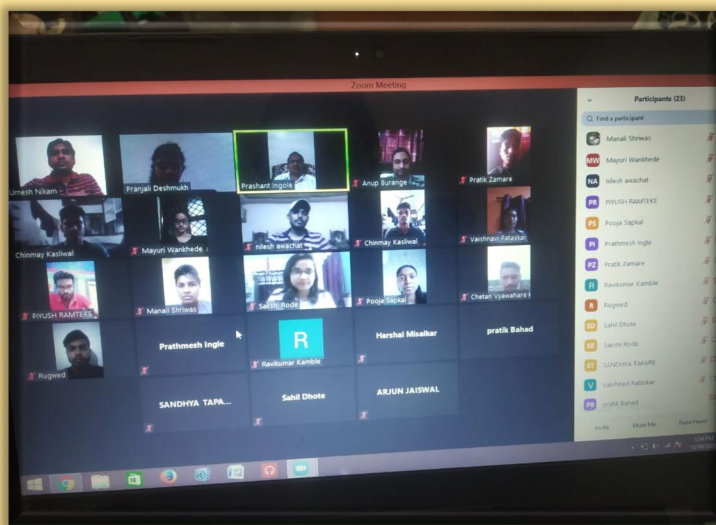

1. Jagruti Ambhore & Shreya Kadam- 1st Winner
2. Komal Kambe – 2nd Winner
3. Vaishnavi Pataskar – 3rd Winner.

The students were guided to prepare a digital poster on given theme using e resources and their own ideas by the event organizers Prof. U. V. Nikam. Student coordinators of the event were Bhavesh Kalmegh (2nd Yr. IT), Sanket Bansod (3rd Yr. IT), and many other students actively contributed for the event.

Workshop was totally hands-on and interactive so that students will learn and develop android application development. Trainer covers the following contents in workshop in two days.

1. Introduction to Android
2. History of Android
3. Installation of Android Studio
4. Android Architecture
5. Introduction to XML and Java
6. Creating Emulator in Android
7. Creating project in Android studio
8. Working with Layout
9. Working with Layout Background
10. Working with various Widgets in Android
11. Working with text view
12. Working with button
13. Event Listener working
14. Development Calling enable applications
15. Development Message based Application

At the end of the workshop students created their own small android applications. Workshop was appreciated and enjoyed by all students. They also asked various queries related to technology and trainer and team explained the answer.

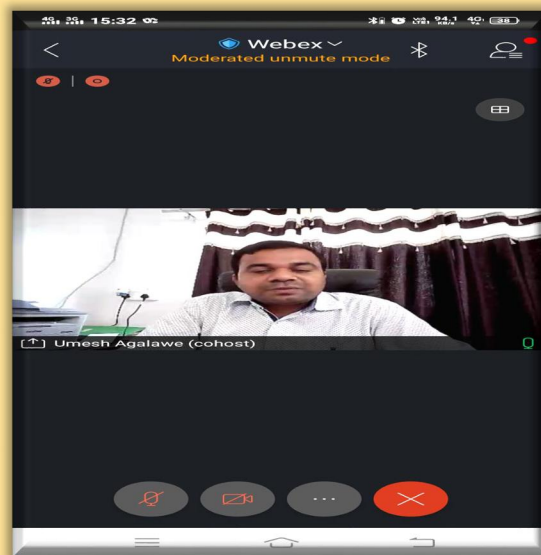

Students attending Online Workshop on Android Development in collaboration with Ibase Electrosoft LLP

Think Algo Two days' workshop by FACE & IT Industry Experts

Department of Information Technology and Department of Training and Placement, Prof. Ram Meghe Institute of Technology and Research Badnera with Collaboration with FACE. Training agency conducted two days workshop on **"Think Algo"** for B. E. Third year students on 4th December 2021 and 5th December 2021.

Workshop contents were designed by IT industry experts and conducted by FACE training agency trainers and Experts from IT Industry. Aims of the workshop are

1. Promote enthusiasm for coding on our campus
2. Introduce Engineering students to Algorithmic Thinking & Computational Problem Solving Skills
3. Supported by top IT companies as part of their CSR (Corporate Social Responsibility) initiatives
4. Get them excited about problem-solving through Programming

FACE & IT Industry Experts Conducting Workshop

Total 80 students from IT department enrolled and participated the workshop. Workshop was highly appreciated by the students. Dr. Nikkoo Khalsa, Dean T &P Department and Dr. Pranjali Deshmukh, Training Officer have taken efforts to conduct this workshop.

Training and Placement Awareness program for third year students

Department of Information Technology and Department of Training and Placement, Prof. Ram Meghe Institute of Technology and Research Badnera conducted **"Training and Placement awareness program"** on 22nd January 2022. Program was conducted online due to Covid pandemic situation on Webex platform. All B.E third year Students attended program virtually. Dr. Nikku Khalsa, Dean T&P, Dr. Pranjali Deshmukh, Training officer, conducted this awareness program. Dr. P. V. Ingole, HOD, IT department, Prof. Smeet Thakur, Prof. Anup Burange Placement Coordinators, Training coordinators respectively of IT Department were present for workshop. It was 3 hours' workshop in which program started with welcoming to HOD, IT, Dean T&P and all faculty members and students by Dr. Pranjali

OBDURATE TECHNOLOGIES PVT. LTD.

Workshop was held on date 12th March 2022

The Department of Information Technology, Prof. Ram Meghe Institute of Technology and Research, Badnera in collaboration with Obdurate Technologies Pvt. Ltd, Pune has organized one day hands-on Workshop on “Machine Learning Project Development” for B. E Third Year students on 12th March 2022. Mr. Rushikesh Dhande and his technical team conducted this hands-on workshop in offline mode. Total 76 students from B. E Third year participated for this workshop. Workshop was inaugurated in the presence of Dr. P. V. Ingole ,HOD Information Technology, Workshop Coordinator Dr. P. P. Deshmukh, Class teacher Prof. Shrikant Sarda and Mr. Rushikesh Dhande, Director Obdurate Technologies Pvt. Ltd., Many faculty members of IT department were present for workshop.

Workshop was totally hands-on and interactive so that students will learn and develop small project related to

machine learning Technology.

Now a days Machine learning become hottest area of development and demand. Machine learning is important because it gives enterprises a view of trends in customer behaviour and business operational patterns, as well as supports the development of new products. Many of today's leading companies, such as Facebook, Google and Uber, make machine learning a central part of their operations. Machine learning has become a significant competitive differentiator for many companies. As this was in offline mode students found more technical friendly atmosphere. The Trainer covers the following contents in workshop in two days.

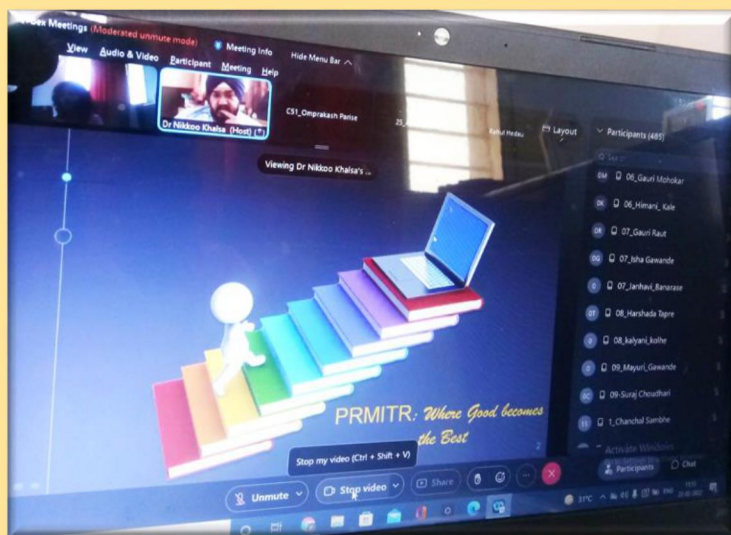

1. Introduction to Machine Learning
2. Python Basics
3. Python Libraries for Machine Learning
4. Exploratory Data Analytics

5. Machine Learning Theory
6. Scikit Learn
7. Machine Learning Case studies
8. Machine Learning model deployment

At the end of the workshop students developed their own small project from given data sets. Workshop was highly appreciated and enjoyed by all students. They also asked various queries related to technology and trainer and team explained the answer.

Training and Placement Awareness program for Second year students

Department of Information Technology and Department of Training and Placement, Prof. Ram Meghe Institute of Technology and Research Badnera conducted “**Training and Placement awareness program**” on 23rd February 2022. Program was conducted online due to Covid pandemic situation on Webex platform. All B.E Second year Students attended program virtually. Dr. Nikku Khalsa , Dean T&P , Dr. Pranjali Deshmukh , Training officer, conducted this awareness program. Dr. P. V. Ingole , HOD ,IT department, Prof. Smeet Thakur, Prof, Anup Burange Placement Coordinators, Training coordinators respectively of IT Department were present for workshop.

Dr. Nikku Khalsa , Dean T&P conducting Training and Placement Awareness program for Second year students

It was 3 hours' workshop in which program started with welcoming to HOD, IT, Dean T&P and all faculty members and students by Dr. Pranjali Deshmukh. She explained all training phases to be conducted from Second Year to Final Year. She explained the importance of CRT training for placement point of view.

As Placement is the ultimate goal of all students and to achieve this CRT training must start from second year and keeping this in view T&P department starts first phase of training from 4th semester. There will be basic aptitude training and soft skill training for 4th semester students.

Dr. Nikku khalsa elaborated on forthcoming placement opportunities for students and preparation needed to get placed in Eminent MNCs. He also told about last year placement ratio, companies visited in campus, AMCAT test and opportunities through it, various certificate courses, Internship opportunities and importance.

It was totally interactive session and students raised many queries related CRT training and placement scenario. T & P team explained and resolved their queries and questions satisfactorily.

Resume Building “Build Your Resume” Program

Department of Information Technology and Department of Training and Placement, Prof. Ram Meghe Institute of Technology and Research Badnera conducted Seminar on “**Build Your Resume**” on 9th March 2022. All B.E Second year Students attended program in IT Seminar Hall. Seminar was delivered by Dr. Pranjali P. Deshmukh, Training Officer, PRMIT&R Badnera. This activity is the part of Campus Recruitment Training program.

In today's job market, the resume has become the number one requirement potential employers request. Before an employer will take valuable time to interview you, he or she wants to meet you on paper.

Activity 5

Name of Speaker	Dr.Rajesh R. Jaware & Dr.Dhananjay Panchagade
Topic	Expert Session on Higher Education(BS/MS/PhD) from USA with Guaranteed Funding
Date	05/03/2022
No. of participants	98
Photograph of the activity.	

The screenshot shows a Zoom meeting interface. At the top, there is a meeting title bar with 'Webex (Moderated session mode)', 'Meeting Info', and 'Hide Menu Bar'. Below this is a toolbar with options like 'File', 'Edit', 'Share', 'View', 'Audio & Video', 'Participant', 'Meeting', 'Breakout Sessions', and 'Help'. A row of participant thumbnails is visible, including 'Ajay Mahajan', 'ignipant', 'Shresh Shukla', 'Dhananjay Panchagade' (who is currently speaking), 'Dr. Geeta, Raol', 'Dr. Gayatri Suryawanshi', 'T.T. Lema Akhwar', and 'T.T. Samudhita, Gaverde'. The main content area displays a presentation slide with the title 'Communication in Universities' and a list of five points:

1. PoC (Point of Contact) – Delegation
2. Understanding of Protocol
3. Email Response Editing
4. Preparing for Interviews by Universities
5. Identifying Resources

The slide also features a logo for '7th SENSE CONSULTING' and an illustration of silhouettes of people's heads with various icons (like a gear, lightbulb, mail, and smartphone) connected by lines, symbolizing communication and technology.

Activity 1

Name of Speaker	Prof. Yuvaraj Vaidya
Topic	Expert Session on Soft Skills for Personality Development
Date	29/10/2021
No. of participants	107
Photograph of the activity.	

The screenshot shows a Zoom meeting interface. At the top, there is a meeting title bar with 'Wishes (Moderated unmuting mode)', 'Meeting Info', and 'Hide Menu Bar'. Below this is a toolbar with options like 'File', 'Edit', 'Share', 'View', 'Audio & Video', 'Participant', 'Meeting', 'Breakout Sessions', and 'Help'. A participant list is visible at the top, with 'sapanth@nitrr.ac.in' highlighted in a blue box. The main content area displays a slide with the following text:

viewing sapanth@nitrr...

Big Five Personality Traits

- Extroversion
- Agreeableness
- Conscientiousness
- Emotional Stability
- Openness to Experience

“Web Designing Competition”

Vidarbha Youth Welfare Society's
Prof. Ram Meghe Institute of Technology & Research
Badnera, Amravati (M.S.) 444701

“Poster Presentation Competition”

Organized by

Post Graduate Department of Computer Applications

Phone: (0721)-2580402/2681246

Fax No. 0721 – 2681337

Website : www.mitra.ac.in

Date:-30 Oct 2021

Event Title: Poster Presentation Competition.

Date: 30 Oct 2021

Venue: P.G. Department of Computer Applications.

Name of Co-ordinator : Prof. N.D.Bobade

Name of Judge : Prof.A.J.Pimprikar,
Prof. V.A. Sinha.

Competition Topic:

"COVID 19 PAGADIGM SHIFT."

Objective:

A poster presentation is a way to communicate your research or your understanding of a topic in a short and concise format. It usually includes two elements - a poster and a brief (usually no more than 2 minutes) explanation.

You will need to analyse and evaluate information, synthesise ideas and creatively demonstrate your understanding of a topic or the findings of your research. Although many students view poster presentations as 'easy', they actually require a lot of thought and preparation.

Poster presentations develop your ability to communicate perceptively (matching your explanation to your audience) and concisely - an important workplace skill.

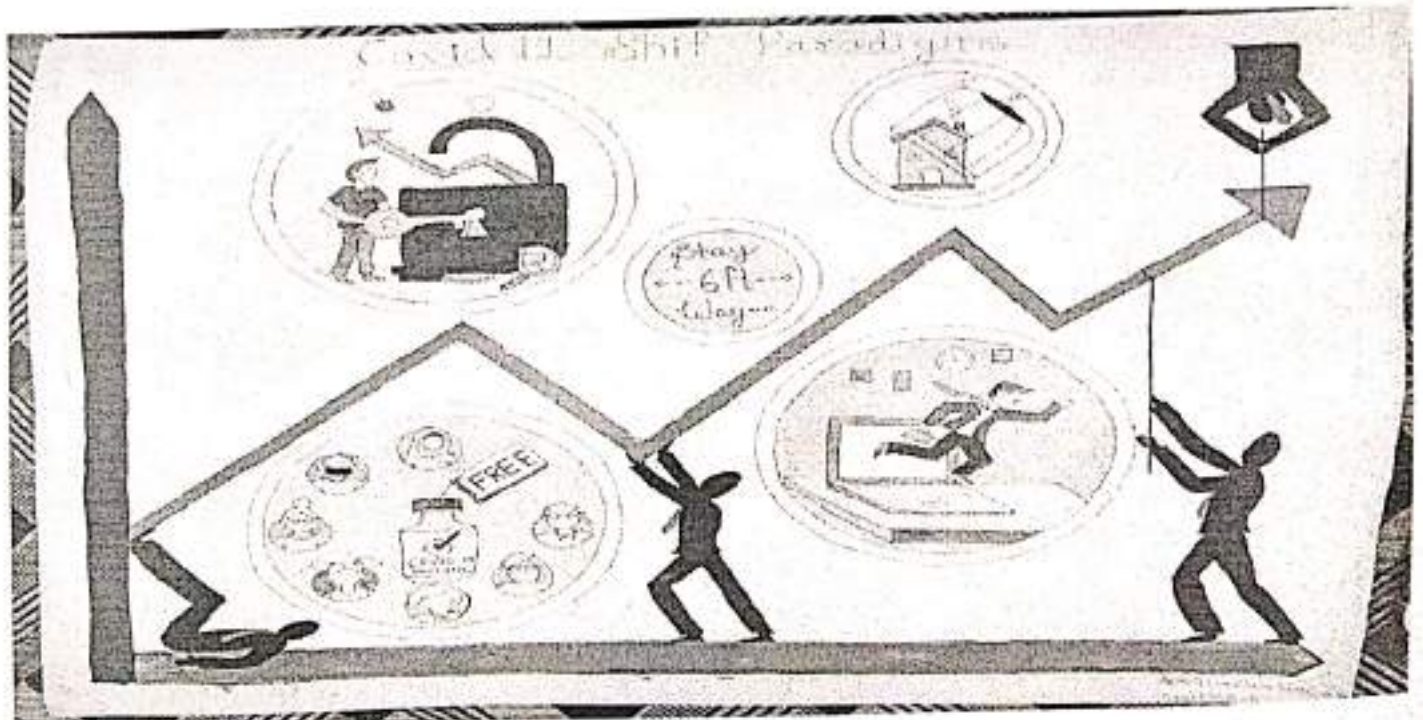

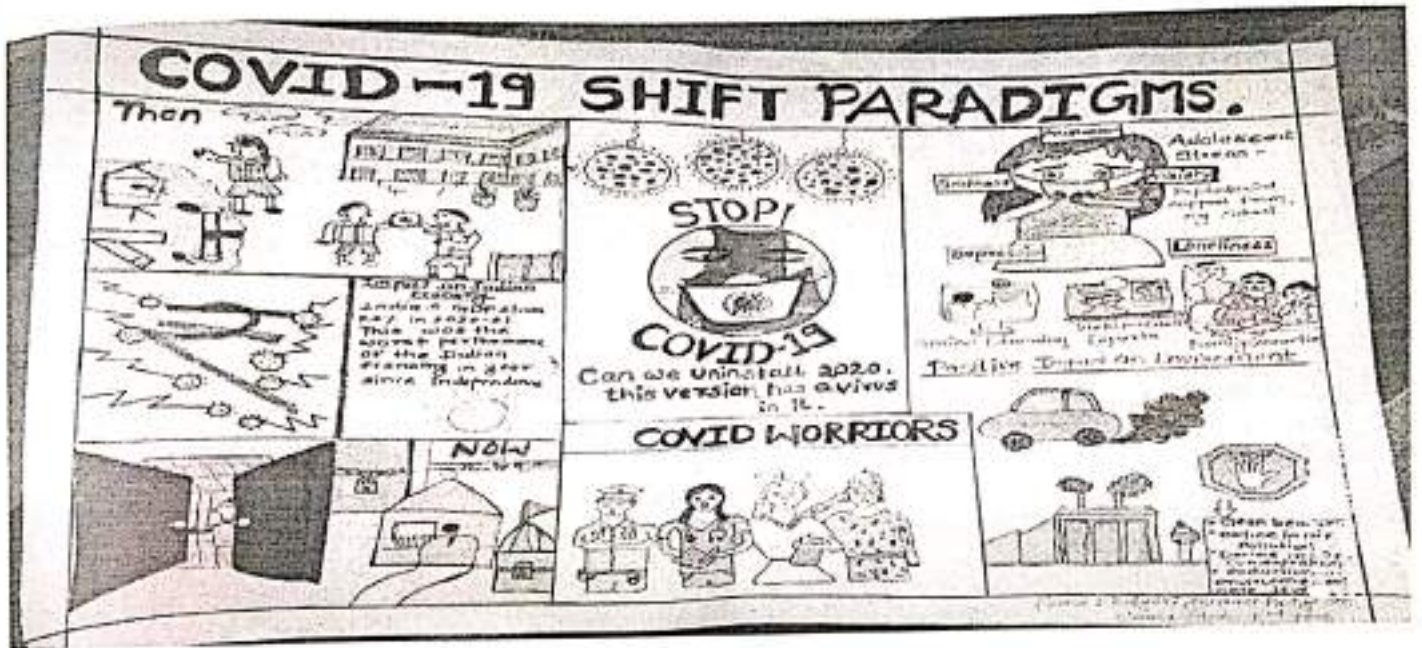

Competition Requirement :-

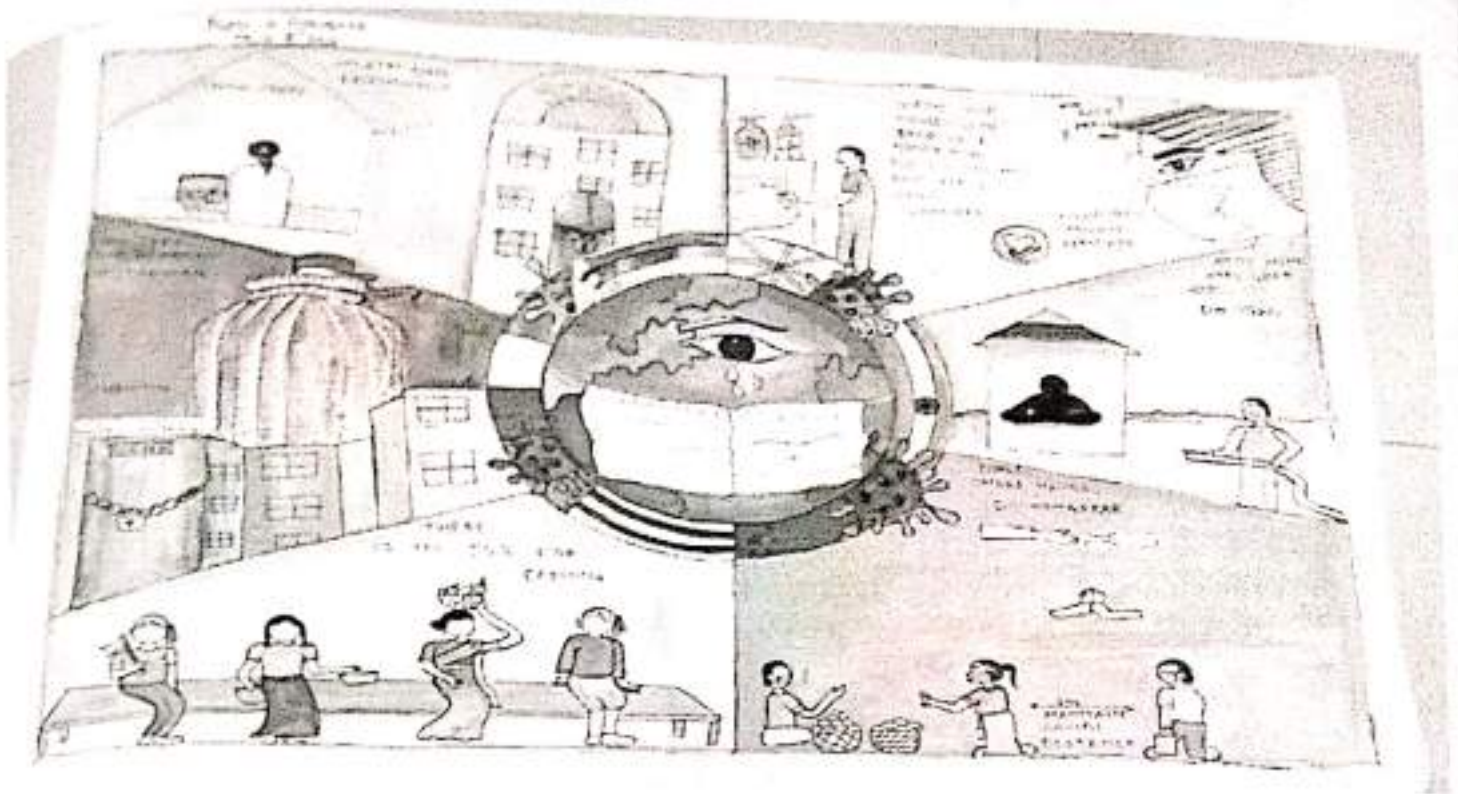

Poster Presentation Rules:

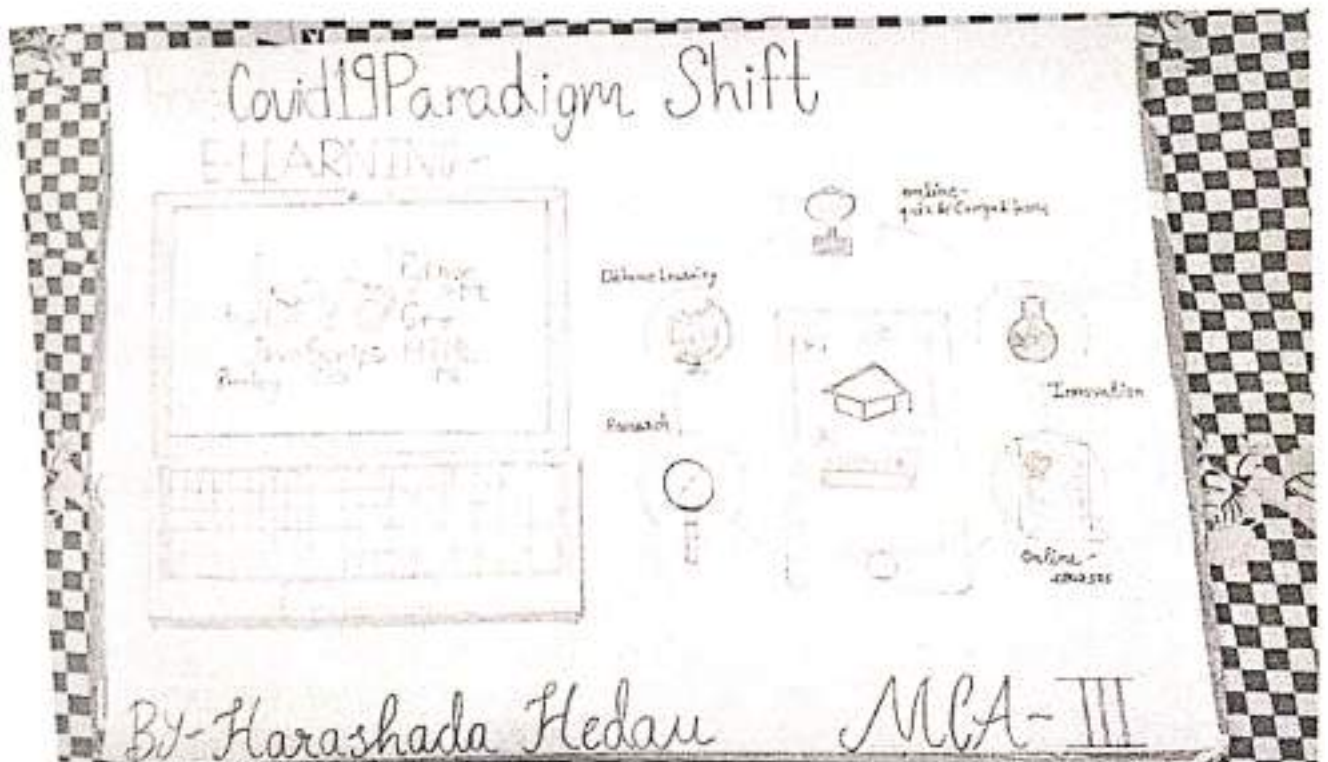

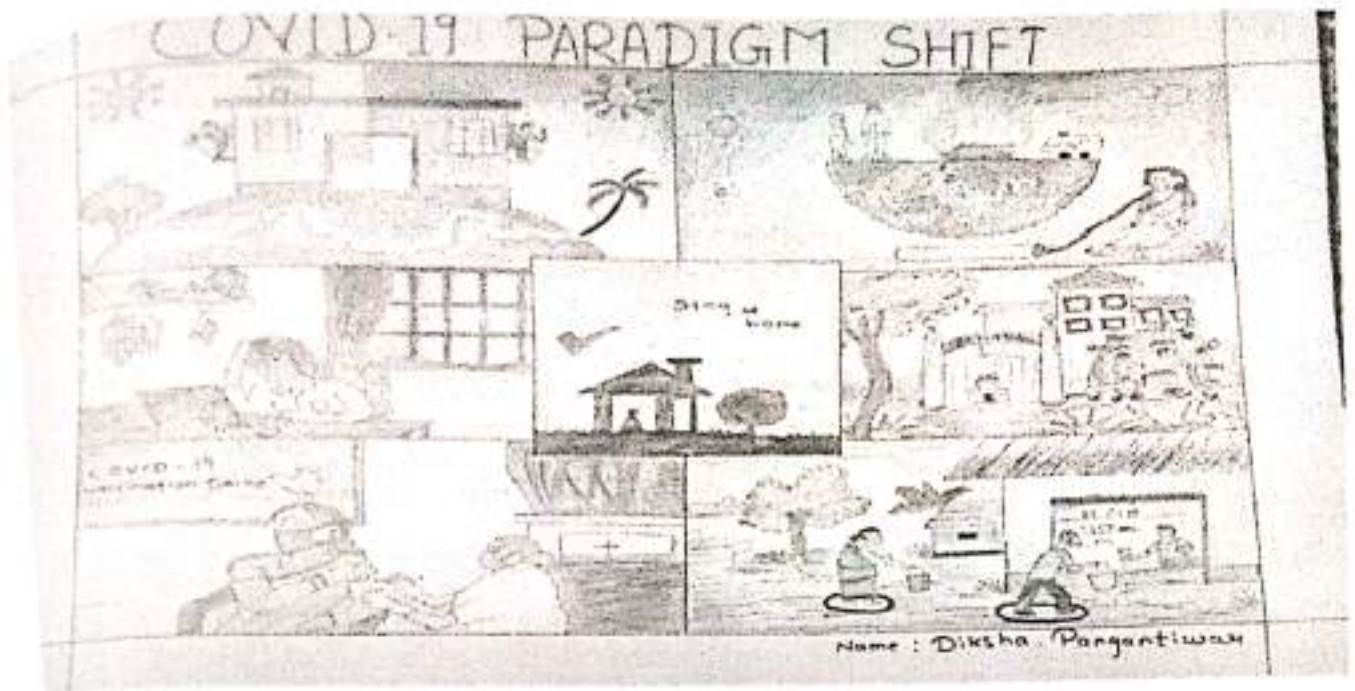

1. The poster entry must have an impact on urology/continence
2. To enter either the 'Display and Presentation', or the 'Display only' competition, you must email an abstract of no more than 100 words which represents your poster to thesunn@group@gmail.com stating clearly which competition you are entering. The abstracts will be reviewed by members of the SUNN committee and a maximum of 5 'Display and Presentation' entries and 5 'Display only' entries, will be selected for the conference. In the event of more than 5 'Display and Presentation' and 5 'Display only' entries, the SUNN committee will make the final decision on which category the poster will apply. You will be notified accordingly, and all decisions are final.
3. The following headings are suggested to structure your abstract, but you can amend as necessary – Introduction/Background, Methods, Findings, Conclusion.
4. If you are entering the 'Display and Presentation' competition, you must also prepare a PowerPoint presentation of no more than 6 slides and email it to thesunn@group@gmail.com. A PowerPoint presentation template is available for download on the SUNN website 'Poster Competition' section under the 'News and Events' tab (Or by [CLICKING HERE](#) if viewing electronically). Feel free to use this template, amend it as necessary, or design your own.
5. Entries to the competition must be received by 23.59 on Monday, September 16th.
6. You will be notified by Friday, September 27th if your poster has been accepted for 'Display and Presentation' or 'Display only'.
7. If you have been accepted for 'Display and Presentation', your PowerPoint presentation which will be loaded on our computer system your presentation must be delivered within **5 minutes**. To be fair to all participants, you must stay within the allocated time. (It is advisable to bring your PowerPoint presentation on a USB key as well as a hardcopy of the slides in case of technical issues on the day)
8. All posters should be size A1 or A0, 'Portrait' or 'Landscape' orientation, laminated (optional), readable (usually a minimum of size 20 font) and you will need to bring a method of hanging it (e.g. blu-tack, tape, or pushpins)
9. Arrive early to the conference and you will be directed to the poster presentation area where you will be responsible for hanging your poster.
10. Good luck to all successful entrants!

Time To :- 2 hrs.

**A REPORT ON GUEST LECTURE BY MR. PRAFFULL MANEKAR ON
"MODERN TRENDS IN APPLICATION DEVELOPMENT:
MICROSERVICES AND SERVERLESS COMPUTING"**

A guest lecture by Praffull Manekar, Founder & Director, SohamGlobal, Amravati on
"Modern Trends in Application Development: Microservices and Serverless Computing
" was delivered on 25th September 2021 for the students of MCA II and III year.

Initially he started exploring the need of different Modern Trends in IT industry. He said that as the trends are changing, the students also need to cultivate the modern trends to acquire better jobs. He not only explained about the modern trends in IT industry but also he had demonstrated how to work on such type of technologies.

After this he explained the need of microservices in this next generation software development process. He later provided the detail information of serverless computing. He concluded his session by motivating students to learn and apply these technologies to get the better job. This session was very informative and inspiring for the students. The program had presided by the Prof. R. R. Sherekar, Head P.G. Department of Computer Applications.

Coordinator – Prof. V. A. Sinha
