<u>Action Taken Report</u>

As per the Remarks by the Evaluators submitting herewith the Action Taken of the department of Computer Science & Engineering.

1) Research Grant:

Receiving Research grant from External agency are challenging tasks. Continous efforts has been taken out to fetch the Research grant from various agencies like AICTE, DST-SERB.

Two Research proposals are submitted to AICTE for Grant Scheme under AQIS

a) Research Promotion scheme (RPS) proposal of Rs.16,82,352/-(In words: Sixteen lakh eighty two thousand three hundred fifty two only)

b) MODROBS for Data Science Lab of Rs.19,89,647/- (In words: Nineteen lakh eighty nine thousand six hundred forty seven only)

Approximate has been submitted. Earlier three proposals has been submitted to DST-SERB for Research grant.

2) Insufficient Consultancy:

Fetching Consultancy in Computer Science & Engineering field is challenging task. Consultancy policy has been framed at college level through dean Research & Promotion Cell and has been circulated to all departments of the Institute to all concerned stake holders & Government Institutes and Continous efforts are being made to fetch a good consultancy work

3) Smart Classroom is not available:

Upgradations of Classroom facilities is a continous process .Plan for development of Smart Classroom is under process.

Action Taken Report

As per the Remarks by the Evaluators submitting herewith the Action Taken report of the department of Computer Science & Engineering.

1) Research Grants:

Receiving Research grant from External agency are challenging tasks. A Continous effort has been taken out to fetch the Research grant from various agencies like AICTE, DST-SERB.

Two Research proposals are submitted to AICTE for Grant Scheme under AQIS.Earlier some proposals were submitted to DST-SERB and RPS for Research grant.

a) Research Promotion scheme (RPS) proposal of 14,80,000/- (In words: Fourteen lakh eighty thousand rupees only)

b) STTP proposal of 4,36,875/-(In words: Four Lakh thirty six thousand eight hundred seventy five rupees only)

c) MODROBS proposal of Rs.17,75,976/-(In words: Seventeen lakh Seventy five thousand nine hundred seventy six only)

2) Industry Institute research collaboration:

Industry Institute collaboration through a memorandum of understanding are signed every year with various industries. It assures the quality of the educational provision under the collaboration. Three MOU were made with the department for the benefits of students of the department.

a) Pinnaculum Infotech Pvt. Ltd. Amravati for the period of one year.

b) iBase Electrosoft LLP, Amravati for the period of one year.

c) Visitfresh Enterprises (Visitfresh.com) for the period of one year.

Consultancy Services:

Fetching Consultancy in Computer Science & Engineering field is challenging task. Consultancy policy has been framed at college level through dean Research & Promotion Cell and has been circulated to all departments of the Institute to all concerned stake holders & Government Institutes and Continous efforts are being made to fetch a good consultancy work.

3) Editorial Board nominations:

Most of the faculties are doing research so they are also encouraged to participate in various committees as a Review and in Editorial Board of various Conferences & Research Journals. Faculties also participated in Review of Research Papers in Conferences and Journal.

4) Organization of one activity of Seminar/WS/Conference every year:

Proposals have been sent every year to ISTE, IETE, AICTE regarding conduction of Seminar/WS/Conference every year. Two proposal has been send to AICTE regarding conduction and grant for Faculty Development Programme (FDP).

HOD

Action Taken on the Academic and Administrative Audit (AAA)

Academic Year: 2019-2020

1) **Required Publication in reputed Journal:** Departmental faculty members are motivated to publish research papers in reputed journals. Total 15 faculties have registered for Ph. D. and they will definitely published research papers in Scopus Indexed Journals.

2) **Assessment of PO, CO is not well-defined:** The course outcomes and program outcomes are redefined and PSO's are newly framed in 2018. As it is newly designed as per the earlier evaluation of DAAC report, yet newly designed PSO's are not completely assess over a period of time. DAAC committee's opinion that if required PSO's will be reconstructed.

3) **Organization of Conferences and Faculty Development Program:** Department has conducted two online STTP's on **"Research and publication Ethics"** and **"Tools and Technique for Efficient & Effective Teaching Learning"** which was scheduled on 29th June 2020 and 6th July 2020 respectively.

Action Taken on the Academic and Administrative Audit (AAA)

Academic Year: 2020-2021

1) **Inadequate Regular Faculty:** Institute is undergoing the process of appointment of the regular faculty; efforts are being taken for clearing the roster from the affiliated University.

2) **Needs Improvement in-**
   a) **Research Grants, Funds, and consultancy:** Head of the Department with Research Promotion cell aligned with the peer team of PRMIT&R, Badnera provide current avenues to aware faculties and students regarding various funding schemes by different central /state funding agencies. Continuous efforts are being taken for procurement of grants in this regards, department has applied for one RPS on 29th November 2020.

   b) **Faculty Awards:** Head of the department in the departmental meeting appeal to all faculty members to apply for the award nomination both for national and international Level.

   c) **PhD Awardees:** From 2018-2020, fifteen faculty members got registered for the PhD program. After reviewing the progress most of them shall be submitting their thesis in 2022.

   d) **Students Sports Activities:** Due to Covid-19 pandemic it was not possible to organize the physical activities like sports to maintain the social distancing. So, department planned to organized online extra-curricular activities like quiz, photography, Dance, Live concert, etc.

ACTION REPORT AY 2018-19

In accordance with Academic audit performed for **A.Y. 2017-18**, following course of action is taken.

1) Infrastructure- State-of art projectors were fitted in each classroom. This enhanced their lecture delivery. On the demand of students & faculties, new books & journals were made available in library along with their digital access.

2) Industry exposure- One person from industry was appointed as an adjunct faculty to the department of management studies. His key inputs were instrumental in providing insights to students about the corporate work life and skillsets required to excel.

3) Improvement in quality of MBA Admission- Efforts were made to improve the overall quality of admission. Additionally, students from other than home universities were targeted for admission to improve the overall diversity of the batch.

4) Industry interface- Department intends to sign MOU with various industry ow players to all students an opportunity to work on live projects. On the same line, faculties plan to conduct workshops/ training programs for outside stakeholders.

5) Skill Development Program- In accordance with the existing needs of job market, students were exposed to various orientation program. These program were structured in sync with employment needs of regional to global market. In light of this, various workshops, training programs & guest lectures were arranged.

P.R.M.I.T. & R. Badnera

ACTION REPORT AY 2019-20

Date- 25th Sept, 2019

Date- 25th Sept, 2019

In accordance with Academic audit performed for **A.Y. 2018-19**, following course of action is taken.

1) Library- E-databases were made available for faculties & students which enabled them to produce quality research. Students were encouraged to spend more time in library availing the resources for their studies and research work. Faculties were incentivized to access the digital library to upgrade their teaching materials & delivery.

2) Industry Interface- It was found that there was a shortfall in industry collaboration. Efforts were made to attract corporates/business to form partnership on various fronts in the interest of students, faculties & institute.

3) Less representation at University & above level- Faculties were encouraged to involve themselves in various activities at university level by being members of various boards/bodies/committees. Students were provided facilities to excel in various sports/competitions/cultural festivals to improve their representation at university level.

4) Skill development for students- Faculties will develop customized modules for overall skill development of students. It includes interview skills, group discussion, aptitude training, communication skills. Separate time slots were allotted in time table to effectively implement these modules.

5) Extra-Curricular Activities- Intercollegiate competitions like business plan competition, poster making, paper presentation, selfie event and youth festivals were organized. All students were motivated to actively participate in PRAYUKTI, TechFest,etc.

ACTION REPORT AY 2020-21

Date-01/02/2022

In accordance with Academic audit performed for **A.Y. 2019-20**, following course of action is taken.

1) Diversity of students- It was found that department admitted students from specific geographic cluster only in OHU category. Hence, efforts were made to increase heterogeneity within batch. Accordingly, required promotional efforts were to attract students from erstwhile untapped areas.

2) Lecture delivery in Covid-19- It was found that there was scarce infrastructure in department. Hence, in the view of increased digitization of teaching pedagogy, classrooms were provided with LAN connection along with desktop. In the view of Covid-19 restrictions, infrastructural changes were made to enable students sitting at their home, access faculty lectures.

3) Focus Research- Faculties were motivated to present papers in virtual conferences & publish research in quality journals. Those in midst of doctoral research were asked to expedite their work and submit it as soon as possible.

4) Resource person development – Various faculties were promoted as resource person to conduct multiple training programs/workshops for outside stakeholders.

5) Intellectual capital development- In times of covid-19, as there were training programs/workshops/webinars being conducted in virtual mode from all over the world. It was a great opportunity to gather knowledge from all around the world. Faculties were encouraged to attend such webinars.

Prof. A.V. Deshmukh
HEAD
HOD, MBA gement Studies

P.R.M.I.T. & R. Badnera

ACTION REPORT AY 2021-22

In accordance with Academic audit performed for **A.Y. 2020-21**, following course of action is taken.

1) Focus on Research- As per AAA report (2017-18), it was found that there was substantial deficiency in research. Hence, to reduce this deficiency, faculties as well as students were encouraged for research activity. They were motivated to publish in high quality peer reviewed journals.

2) Curriculum development – Curriculum forms very important aspect of academics as it eventually decides the employability of students. Various emerging thrust areas are required to be given credence in curriculum development. Department promoted multiple faculties to involve themselves in curriculum development. This was done after taking feedback from students, alumni, parents & employers. (2019-20)

3) Teaching-Learning evaluation- At broad level, teaching & learning process was designed as per the program outcomes. Whereas for each subject, course outcomes were considered while preparing lesson plan, teaching plan, paper setting for internal test, assignments, etc. (2019-20)

4) Competitive Exams- Those with willingness to work for state/central government or defense services were provided necessary help in form of resource material or personal counselling.

5) PhD- Faculties with serious research acumen were persuaded to enroll for Phd program in their respective domain, whereas those who are already registered were given special concession to complete their doctoral researches as soon as possible.

Action Taken Report after Academic Audit for AY 2017-2018

Date: 28th September 2018

- The faculty at PGDCA is fully qualified and experienced but not regular.
- Appointment of staff is an administrative concern at the top level.
- Research contribution will be worked upon, so that there is more thrust by faculty on research.
- Faculty will be motivated for research by attending more relevant workshops and STTPs.
- Campus placement of students is less cause majority of the students failed to satisfy the criteria of having throughout first class. Most students coming to MCA have a low score in the 12th standard. But off campus placements are good and all the students are placed well.
- Also, other than syllabus sessions for technical and general aptitude were part of the syllabus
- Also , trainings from spoken tutorial on various technologies are part of the regular Time Table.
- The time table also includes an additional soft skills session

Action Taken Report after Academic Audit for AY 2018-2019

Date: 25th September 2019

- The faculty at PGDCA is fully qualified and experienced but not regular.
- Appointment of staff, teaching as well as non teaching is an administrative concern at the top level.
- Research contribution and patent filing will be worked upon, so that there is more thrust by faculty on research.
- Only regular UGC approved staff can apply for Research grants, so faculty at PGDCA are not eligible
- Proposals for change in curriculum had been forwarded to the concerned at the university
- Also the faculty was indirectly involved in curriculum development.
- The new curriculum for MCA three years course has been implemented from August 2019
- The institutional NSS unit is only for UG students, so PG students cannot participate in it
- An intercollegiate event named **Oculus** with various extracurricular activities was organized and students had full involvement in it from organization to participation activity. This contributed to their extension activities
