

Dive into the heart of engineering excellence

MITRA PULSE

March-April 2025

where ideas spark, knowledge flows and achievements resonate. From cutting-edge projects to inspiring success stories, every pulse beats with passion and progress.

Prof. Ram Meghe Institute of Technology and Research Badnera - Amravati

THE ACADEMIC TIMES

Guest Lecture on National Science Day

03 March 2025: The Institution's Innovation Council (IIC) of Prof. Ram Meghe Institute of Technology & Research (PRMIT&R), Badnera, under the Vidarbha Youth Welfare Society has organized a Guest Lecture in celebration of National Science Day on 03 March 2025. The event took place at the EXTC Seminar Hall.

This year's National Science Day theme was "Empowering Indian Youth for Global Leadership in Science and Innovation for Vikasit Bharat". The initiative aims to inspire and mobilize the student community towards innovation, scientific leadership and national development.

The event was coordinated by Dr. S. V. Dharpal, Coordinator of Innovation, PRMIT&R, Badnera. The Principal of the institute and President of IIC has encouraged students to actively participate in this enlightening session.

The Guest Lecture promises to be a valuable experience for students aspiring to contribute to India's growth in science and technology.

NSS Camp Inaugurated at Kondeshwar Temple: Students Engaged in Rural Service and Community Development

17-24 March 2025: The National Service Scheme (NSS) camp of PRMIT&R, Badnera was ceremoniously inaugurated at the serene and historic Kondeshwar Temple. The camp marks a significant step in promoting social responsibility and community engagement among students. (Contd. on next page)

During the 8 days camp, students are actively involved in various rural service activities including cleanliness drives, awareness campaigns and community development initiatives aimed at uplifting the local population.

The Institute proudly invited all faculty and staff members to visit the camp site and encourage the students as they take part in this noble and transformative mission. Their presence boosted the morale of the participants. Such visits created meaningful interactions between students and society.

Graduation Ceremony at PRMIT&R: 840 Students Conferred Degrees

20 March 2025: The Graduation Ceremony at PRMIT&R, Badnera, run by Vidarbha Youth Welfare Society, was held with great enthusiasm and pride. A total of 840 students were awarded degrees under Sant Gadge Baba Amravati University (SGBAU).

The event was graced by Dr. Nitin Dhande, President of Vidarbha Youth Welfare Society along with dignitaries including Prof. Dr. Poonam Chaudhary, Prof. Vinay Gohad, Principal Dr. Gajendra Bamnote, Dr. Harshad Deshmukh and Dr. Nikku Khalsa.

In his address, Dr. Dhande emphasized the importance of perseverance, humility, and values in achieving success. Special appreciation was extended to 38 students for their academic excellence and remarkable achievements.

Among the standout achievers were:

Ms. Nikita Deo (Computer Science) – Recipient of 6 Gold Medals at SGBAU

Mr. Sanskar Upadhyay (Mechanical) – Recipient of 3 Gold Medals

Guest Lecture on Start-Up Business Implementation

22 March 2025: The Institute Innovation Council (IIC) and Intellectual Property Rights (IPR) Cell successfully organized a guest lecture for P.G. Management students on "Planning & Implementation of Start-Up Businesses in the Present Scenario". The session was conducted on 22 March 2025 in the Seminar Hall of the Mechanical Engineering Department.

The keynote speaker for the session was Dr. Pratik K. Deshmukh, who provided valuable insights into the dynamics of launching and sustaining start-up ventures in today's competitive and rapidly evolving market.

The event was coordinated by Dr. R. A. Kapdiya, Co-coordinator of the IPR Cell, under the guidance of Dr. G. R. Bamnote, Principal and President of IIC.

Faculty members and students actively participated and appreciated the relevance of the topic in today's Innovation-driven economy.

Blood Donation Camp Organized at PRMIT&R, Badnera

04 April 2025: A Blood Donation Camp was successfully organized at PRMIT&R, Badnera, by the NSS Unit, Student Development Department and Dispensary Unit. The camp took place on Friday, 4 April 2025 at IT Seminar Hall.

The initiative saw enthusiastic participation from students, teaching and non-teaching staff with full support from the heads of departments and administrative units. The event was coordinated under the guidance of Prof. Dr. A. S. Bhopale, NSS Program Officer.

To ensure smooth execution, various committees were formed for arrangements and Medical services were efficiently handled by Dr. Mrs. S. S. Khande from the Dispensary Unit, ensuring the safety of all donors. The Principal and other dignitaries appreciated the noble cause and congratulated the organizing team for their collective efforts. This camp highlighted PRMIT&R's commitment to community welfare and active citizenship among its students.

Health Awareness Program Conducted by PRMIT&R, Badnera

9 April 2025: As a part of the 100-day action plan directed by the Ministry of Education and Research and Innovation Council, Mumbai, a Health Awareness Program on "Rare Diseases and Related Topics" was successfully conducted on 9 April 2025 at EXTC Seminar Hall.

The program was jointly organized by the NSS unit, Department of Electronics & Telecommunication and Government medical college, Amravati, aiming to raise public awareness on critical health issues.

All department heads, faculty members, staff and students actively participated in the session, which was coordinated by Dr. A. S. Bhopale (NSS Officer) and Dr. S. V. Pattarwar (Dept. Head, Electronics and Telecommunication).

This event was another step towards fostering socially responsible citizens by promoting knowledge and sensitivity toward rare diseases and public health issues.

Workshop on Copyright Filing Awareness Conducted at PRMIT&R, Badnera

16 April 2025: The Intellectual Property Rights (IPR) Cell and Institution's Innovation Council (IIC) organized an insightful interactive session on the topic "From Idea to Protection - Filing Copyrights Made Easy".

The session was conducted by Prof. Dr. Shreyas R. Hole, Assistant Professor at Dayananda Sagar University, Bengaluru. It focused on the importance of protecting intellectual assets and guided the participants on the process of filing copyrights in a simplified manner.

The program commenced at the EXTC Seminar Hall and was coordinated by Dr. Maithili Deshmukh, Prof. Neha Chede and Prof. Vishal Ingole. Faculty and students from various departments actively participated and gained valuable insights into copyright filing procedures and intellectual property protection. The session was coordinated under the guidance of Dr. G. J. Sawale and Dr. M. V. Mohod, Co-coordinators of the IPR Cell.

Program on Financial Investment Awareness

24 April 2025: The Department of MBA organized an Insightful Financial Investment Awareness Program on 24 April 2025 at EXTC Seminar Hall. The session was led by Mr. Shashant Mishra, Trainer & Deputy Manager, NSE, ISC Nagpur and was aimed at enhancing student's knowledge of financial literacy and investment strategies.

The key topics covered during the session included understanding basic concepts of financial literacy, Effective methods for financial planning to meet future needs and awareness of current investment options and relevant laws for financial protection.

The session witnessed enthusiastic participation from MBA students and faculty. The Head of the MBA Department, Prof. Ashish Deshmukh, encouraged all attendees to benefit from such educational initiatives while maintaining their academic commitments.

The event was held under the guidance of the Principal Dr. G. R. Bamnote and was part of the institute's ongoing efforts to impart practical financial knowledge among students.

STUDENT SPOTLIGHT

PRMIT&R Volleyball Team Clinches Gold at Intercollegiate Tournament in Nanded

March 2025: The Institute Volleyball Team has once again made the Institute proud by winning the Gold Medal at the Intercollegiate Volleyball Tournament held at Nanded. This remarkable victory marks the third Gold medal secured by the team this season, reflecting their unwavering dedication, exceptional teamwork and outstanding athleticism.

The management, faculty and entire PRMIT&R community extend their heartiest congratulations to the team members and coaching staff for their stellar performance and consistent achievements.

We look forward to many more such accomplishments in the future. Keep the spirit high and continue making us proud!

Google Developer Group (GDG) in Campus

25 April 2025: PRMIT&R and Department of Computer Science & Engineering proudly announce the official establishment of the Google Developer Group (GDG) on Campus “PRMIT&R Room (Coding Club)”.

As a part of this momentous occasion, Generative AI Goodies received from Google and facilitated through GDG were distributed to participants who actively contributed and demonstrated outstanding enthusiasm throughout the tenure. (Contd. on next page)

The event also marked the successful conclusion of the GDG Tenure 2024-25, celebrating a productive year filled with innovation, collaborative learning and community driven Software Development Initiatives.

The entire program was successfully coordinated under the expert guidance of Prof. A. U. Chaudhri (Faculty Coordinator) and Dr. R. R. Karwa (Faculty Advisor). Program organizer express their sincere gratitude to Honorable Principal Dr. G. R. Bamnote for the continued encouragement and for providing the platform that made this achievement possible.

Humanity Box Initiative at PRMIT&R Spreads Compassion

As part of Esperanza and Aashayein 2k25 celebrations the "Humanity Box" initiative was launched to support underprivileged patients and their families. Faculty and staff generously donated clothes and essentials, reflecting the true spirit of compassion.

The distribution took place in the presence of Dr. Nitin Dhande, Hon'ble President of VYWS and Dr. Gajendra Bamnote, Principal, along with students and faculty members. A healthy breakfast and sweets were also served to all attendees.

Special appreciation goes to Mr. Prabhav, a third-year CSE student, for donating a cooler an inspiring act of kindness. The PRMIT&R family extends heartfelt gratitude to everyone who contributed to this meaningful endeavor. The Humanity Box initiative not only brought comfort to many lives but also reinforced the Institute's commitment to service and social responsibility. Together, we take pride in building a better, more humane tomorrow.

PLACEMENT

Outstanding Placements at PRMITR, Badnera

We are immensely proud to announce the remarkable Placement Achievements of our talented students across various departments at PRMIT&R, Badnera, Amravati.

✔ Aryan Bute, a third-year student from the AI & DS department, has been selected by EDERA for the role of Data Analyst. His achievement reflects the growing talent in emerging technologies at PRMIT&R.

✔ Through TCS CodeVita, the prestigious national coding contest, Tanushri Wadurkar, Vedant Pete and Akash Pandit have secured placements at TCS, one of India's top IT giants.

✔ A record-breaking 84 students have been selected by Dana India Private Limited, reinforcing the Institute's strong industry connect.

✔ 39 students have successfully secured placements at KNORR-BREMSE, a leader in braking systems.

✔ 10 Mechanical Engineering students have been selected by Bhagyalaxmi Steeltech Pvt. Ltd.

✔ 45 students have joined MSIT Services, under their Content Management Services wing.

✔ 36 students have been placed at Webasto, known for its Innovative Automotive Solutions.

National Recognition – Startup Mahakumbh 2025:

Under the Unnat Bharat Abhiyan and the Ministry of Tribal Affairs, three students from the Civil Engineering Department have been selected to represent PRMIT&R at Startup Mahakumbh 2025, to be held from 3-5 April 2025, at Bharat Mandapam, New Delhi:

✔ Savant Sundarlal Parte – Third Year, Civil Section-B

✔ Divya Arunrao Pusam – Final Year, Civil Section-B

✔ Minakshi Bansilal Kasda – Final Year, Civil Section-C

This remarkable achievement highlights the entrepreneurial potential nurtured at the Institute.

The management, faculty and the entire PRMIT&R community extend heartfelt congratulations to all selected students. These achievements are a testament to the hard work, dedication and excellence of our students and faculty.

We wish all students the very best in their future endeavors!

FACULTY TRIUMPHS

CSE Department Achieves Remarkable Milestone with 53 Copyrights Filed

The Department of Computer Science & Engineering, is proud to announce a significant academic achievement a total of 53 copyrights have been successfully filed by the faculty and students of the department, with PRMIT&R as the official applicant.

This remarkable accomplishment comes after a thorough and multi-stage evaluation process. The entire process was expertly coordinated by Dr. Roshan Karwa, Prof. Arpit Chaudhari and their dedicated team, whose tireless efforts ensured the successful completion of this initiative.

The department extends its sincere gratitude to all faculty members and students who contributed to this rigorous process. Your collaboration, commitment to quality and academic integrity have set a high benchmark and contributed immensely to this collective success.

Congratulations to all contributors on this outstanding achievement!

For the upcoming edition of “*Mitra Pulse*”, we invite you to share your articles, achievements and creative contributions. Please submit your content to mitrapulse@mitra.ac.in on or before the 30th of every month. We look forward to your participation!
