# THE ACADEMIC TIMES

## Department of Information Technology and ISF Celebrated World Telecommunication and Information Society Day

**19 May 2025:** The Department of Information Technology in collaboration with the IETE Students Forum (ISF) proudly celebrated the World Telecommunication and Information Society Day (WTISD) by organizing an expert talk on 19 May 2025. This year's theme, declared by the International Telecommunication Union (ITU), was "Gender Equality in Digital Transformation".

To mark the occasion, an insightful Expert Talk was delivered by Dr. P. V. Ingole, focusing on the importance of ensuring equal access, participation and opportunity for all genders in the rapidly evolving digital landscape.

The session was attended by over 110 students from B. Tech Second Semester and above, who actively engaged in the discussion and expressed a keen interest in the subject. The talk emphasized the critical role of inclusive digital policies, digital literacy and the need for collective action to bridge the gender gap in Technology and Innovation. Real-world examples and current data trends highlighted how Gender Equality is essential for sustainable digital development.

## Online FDP on Cloud-Based CAD & Rapid Prototyping

Mechanical Department organized a Five-Day Online Faculty Development Program on "Cloud-Based CAD and Rapid Prototyping" from 9th to 13th June 2025. The event was conducted by the Department of Mechanical Engineering in collaboration with Autodesk, USA. The program covered Fusion 360, cloud-based design, real-time collaboration and classroom integration, along with daily expert sessions on Rapid Prototyping.

## International Yoga Day Celebrated at PRMIT&R, Badnera

**21 June 2025:** Prof. Ram Meghe Institute of Technology & Research, Badnera celebrated International Yoga Day with great enthusiasm on 21st June 2025, under the banner of the Student Development Cell and National Service Scheme (NSS).

The event aimed to promote physical, mental and spiritual well-being among faculty and staff. Ms. Ria Deshmukh, a certified yoga expert, conducted the session, guiding participants through various asanas and pranayama techniques.

The program was organized under the supervision of Dr. G. R. Bamnote, Principal and coordinated by Prof. V. V. Kale, along with Prof. Ms. P. P. Deshmukh and Prof. Ms. N. A. Deshmukh.

Esteemed dignitaries including Dr. S. S. Deshmukh, Dr. P. V. Ingole, Dr. N. W. Ingole and Prof. J. N. Ingole also graced the occasion and encouraged the participants. The event created a serene and energized atmosphere, successfully promoting awareness of yoga as a holistic wellness practice.

## PRMIT&R Awarded Prestigious TCS Priority College Status

**30 June 2025:** Prof. Ram Meghe Institute of Technology & Research (PRMIT&R), Badnera, has achieved a significant milestone by being awarded the TCS Priority College Status through the prestigious accreditation process of Tata Consultancy Services (TCS).

This recognition places PRMIT&R among a select group of Institutions across the country, acknowledged for their academic excellence, quality of students and strong industry engagement. The Priority College status is conferred by TCS to Institutions that demonstrate exceptional standards in technical education, skill development and graduate employability.

The recognition is also a reflection of the consistent placement records, active training and placement initiatives and the institute's continuous efforts to align with the evolving demands of the global IT industry. Principal Dr. G. R. Bamnote congratulated the faculty, students and staff on this remarkable accomplishment and expressed gratitude to TCS for the recognition. "This status motivates us to further enhance our academic delivery and strengthen our industry collaborations," he added.

The management and leadership of PRMIT&R reaffirm their dedication to creating a center of excellence in Engineering Education and preparing students to excel in global career opportunities.

# PLACEMENT

---

## Outstanding Placements at PRMITR, Badnera

The Training and Placement Cell is proud to announce the outstanding placement achievements of our students across various departments. With multiple offers from reputed organizations, our students have once again demonstrated their caliber and competitiveness in the job market.

★ Highlights of Recent Placement Offers:

✔ **Sayaji Gawande** has been placed at **ConsultAdd** with a remarkable salary package of **₹12 LPA**, highlighting his exceptional skill set and the College's Training Excellence.

✔ 4 students have been selected Infocepts – Data & AI Division, showcasing their strong data science and analytics capabilities.

✔ 13 MBA students secured positions in Magic Stone Spaces LLP with an impressive package of ₹5.40 LPA, reflecting the quality of our management education.

✔ Tilak Bhusare from Information Technology has achieved dual success. He was selected as a Site Reliability Engineer at mTree and also as Production Management Executive at Morgan Stanley, both with a CTC of ₹9 LPA.

✔ Prathamesh Nyaykhor and Tanmay Saharkar from Civil Engineering have been placed in ARCHCEPT, reflecting strong Industry alignment in core sectors.

✔ Rutuja Nanhe from Computer Science & Engineering has been selected for a prestigious Cyber Security role in Cognizant of ₹5.4 LPA.

✔ A total of 24 students have secured placements in Cognizant's GenC profile with ₹4 LPA, showcasing the consistent performance of our graduates.

✔ Fareesuz Zama Shahazama has made us proud by being selected for GenC Next, a high-skill track at Cognizant, with an excellent package of ₹6.75 LPA.

✔ Anurag Wande from Computer Science & Engineering has also been selected at mTree with a lucrative package of ₹9 LPA.

This remarkable achievement highlights the entrepreneurial potential nurtured at the Institute.

The management, faculty and the entire PRMIT&R community extend heartfelt congratulations to all selected students. These achievements are a testament to the hard work, dedication and excellence of our students and faculty.

We wish all students the very best in their future endeavors!

# FACULTY TRIUMPHS

## Copyright Granted for Innovative Methodology Developed by Prof. Dr. P. A. Kalmegh

Indian Copyright Office has officially granted copyright protection to Prof. Dr. P. A. Kalmegh for her newly developed model titled: "Methodology for Applying the Johari Window Framework."

This original work is a significant contribution in the field of self-awareness and interpersonal effectiveness, reflecting her continued dedication to research and innovation in behavioral training and development.

The model was successfully implemented during a training session at PRMIT&R last year, where it received positive feedback for its practical applicability and relevance in academic and professional settings. This recognition not only highlights Dr. P. A. Kalmegh's scholarly contribution but also adds to the growing list of innovations emerging from PRMIT&R.

We congratulate Prof. Dr. P. A. Kalmegh on this remarkable achievement and wish her continued success in advancing impactful methodologies in education and personal development.
