At the end Prof. Maithili Deshmukh , Coordinator gave vote of thanks to all guests , HODs, Deans participants , and all teaching and nonteaching members. The Inauguration program was hosted by Prof. Niketa Kadam.

### **Ethical week Celebration**

Department of Information Technology, Prof. Ram Meghe Institute of Technology & Research, Badnera celebrated “Ethical Week” this year also. This was the different activity than other technical and nontechnical activities. This year due to lack of time we decided to conduct ethical week in three days. Engineering as a profession is meant to serve the public by strictly adhering to codes of conduct and placing paramount the health, safety and welfare of public. Engineering ethics is the study of moral issues and decisions confronting individuals and organizations engaged in engineering.

**Inaugurated at the hands of Dr. A. P. Bodhke,**

From 19<sup>th</sup> September 2019 to 21<sup>st</sup> September 2019 Ethical week Celebration, Activities conducted under it are

- 19<sup>th</sup> September 2019 Meditation “Say Yes to Life” program under IETE and IEI students chapter
- 20<sup>th</sup> September 2019 Role play activity in class rooms (Second & Third year)
- 21<sup>st</sup> September 2019 Ethical movie playing and Wall magazine competition under IEI and IETE students chapter.

**First Day 19<sup>th</sup> Sep 2018:-** Ethical week is inaugurated at the hands of HOD Dr. P. V. Ingole and all Faculty members and students were present there. HOD explained the motive behind ethical week celebration in department. First activity was Meditation workshop “Say Yes to Life”. The International Trainer Mr. Shivaji Kuche conducted the Meditation workshop. All Year students were present for program.

**Second Day 20<sup>th</sup> September 2019:-** On second day under IEI student chapter very interesting activity is planned for each class students . The Role play is effective activity to understand the ethical practices in day to day life and educational organization. Faculty Coordinators & students team decided the theme for role play , individual from group played the different role in drama and remaining audience prepared the views on it and presented the same. Judges observed role play in each class and decided the winner on the basis of role play theme, act, ethical views and presentation by the students.

**Third Day 21<sup>st</sup> September 2019:-** Ethical movie playing and Wall Magazine activity were decided on the last day of ethical week. Ethical Movie playing and review program conducted in IT Seminar hall. The students should write and present reviews on it. To make this activity more interesting coordinators selected a group from each section and formed total 6 groups. It was the competition amongst groups on the quality of review generation and presentation. Three movies played and participants prepared reviews and presented the same in front of Judges. The Judges evaluated the groups on the basis of their reviews, ethical thinking and presentation skills.

The theme of Wall Magazine was **“Indian Space Research”**. Indian Space Research Organization (ISRO) has had many remarkable milestones since their launch in 1969. They have time and again proved that they completely stand by their vision to 'harness space technology for national development'.

### Hardware Workshop

The trainer Chetan Ingale covered topic introduction to Video Game development, how to develop game with unity game engine tool with the help of C#, C++, & Android. It was hands on training session for two days.

## Techno Hunt Competition

The Department of Information Technology, Prof. Ram Meghe Institute of Technology and Research, Badnera has organized Techno Hunt Competition for students.

## Yoga Day Celebration

June 21<sup>st</sup> is celebrated as The International Day of Yoga all over the world. This idea was proposed by our Prime Minister, Mr. Narendra Modi. He said, "Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with you, the world and the nature. By changing our lifestyle and creating consciousness, it can help in well being."

Information Technology Department along with NSS team of PRMIT&R celebrated International Yoga day on 21<sup>st</sup> June 2019 with great enthusiasm. College invited Yoga trainers from outside to train staff and students

Faculties & students demonstrated various asanas followed by Omkar chanting. Warm up exercises were taken and all the faculties performed sitting and standing asanas, importance of these were explained simultaneously. The celebration concluded with synchronized recitation of shlokas and speech by our HOD. He encouraged faculties & students to practice regular yoga to remain fit and improve concentration.

### Parent Meet

The parent meet was organized on 24<sup>th</sup> August 2019 by the Department of Information Technology, PRMIT&R, Badnera with the objective of discussing parents regarding their ward's performance and trying to settle their queries & inquiries. The motive behind the meet is to discuss all measures to be taken for the overall growth and development of the students so that they meet and cop up with the present day challenges. Parent of many students actively participated in the events with the positive approach & also offered some valuable suggestion with respect to operational issues.

The meet began with a warm welcome to the parents followed by a presentation from Head of Department,

facilities, academic profile of faculty, results of students, intra and extracurricular activities organized within the department and training and placement activities. The event was organized by Prof. Ms. M. S. Deshmukh and Prof. S. P. Thakare along with class teachers and other faculty members in department.
