Program Objectives and Context

This programme is planned with objective of introducing several fundamental concepts and methods for machine learning, focusing on some basic algorithm for solving practical problems.

- To introduce fundamental concepts and methods for machine learning.
- To familiarize the audience with machine learning algorithms and techniques and their applications.
- To learn the latest trends in machine learning
- To learn methodology and tools to apply machine learning algorithms to explore and analyze real data.
- To familiarize the audience how machine learning thrives on growing data sets.
- To learn tools and algorithms for creating machine learning models that learns from data, and to scale those models up to bigdata problems.

Eligibility:

Faculty members of engineering colleges / Polytechnic colleges and working professionals in the field of computer, Electronics, Information Technology and MCA are eligible to attend the course.

About Institute

The Vidarbha Youth Welfare Society's Prof. Ram Meghe Institute of Technology and Research, Badnera-Amravati (Formerly well known as College of Engineering, Badnera), is a leading technological institute from central India. Established in the year 1983, the institute has a prestigious standing amongst the topmost technical institutes of Maharashtra. The institute is approved by AICTE, New Delhi and 'A' Grade awarded by NAAC, Accredited by the National Board of Accreditation (NBA), New Delhi. Department of Technical Education (DTE), Govt. of Maharashtra, has awarded "A" Grade to the institute. The institute is also awarded by ISTE National Award for best Engineering College in the region.

"Vidarbha Youth Welfare Society" was conceived to be the fountain head of education for a rural area of Amravati & wardha in the year 1965.

The young, dynamic & forward looking management of PMIT&R is carrying forward the pioneering legacy of the visionary founders, who dare to dream and strived hard to achieve their seemingly impossible goals. The management team comprises of qualified people and stalwarts from medical, academic, legal and business fraternity. Their varied skills-sets help them in coming up with the vagaries of technical education field.

Achieving a leadership position in all of its working areas is the belief that drives the PRMITians. The team of the highly qualified and experienced academicians strives to achieve this credo under the proficient guidance of the Principal of the Institution. The team has an indomitable spirit to nurture and educate potential professionals and bring laurels to the institute.

How to Reach

The college is situated near Badnera, 9 Km from Amravati city Bus depot and 2 Km from Badnera Railway station and well connected by roads including NH6 super express highway. It is about 150 Km from Nagpur. Auto rickshaws, city bus and other public transports are easily available from Badnera and Amravati to reach the Institute.
