Prof. Dr. M. V. Mohod
Prof. S. G. Adhau
And all Faculty Members of Civil Engineering Department

About Institute
The Vidarbha Youth Welfare Society's Prof. Ram Meghe Institute of Technology and Research, Badnera-Amravati (Formerly well known as College of Engineering, Badnera), is a leading technological institute from central India. Established in the year 1983, the institute has a prestigious standing amongst the topmost technical institutes of Maharashtra. The Institute is approved by AICTE, New Delhi, Accredited by National Assessment and Accreditation Council (NAAC), Bangalore with Grade ‘A’ and Accredited by the National Board of Accreditation (NBA), New Delhi. Department of Technical Education (DTE), Govt. of Maharashtra, has awarded “A” Grade to the institute. The institute is also awarded by ISTE National Award for best Engineering College in the region.

“Vidarbha Youth Welfare Society” was conceived to be the fountain head of education for a rural area of Amravati & Wardha in the year 1965.

The young, dynamic & forward looking management of PRMIT&R is carrying forward the pioneering legacy of the visionary founders, who dared to dream and strived hard to achieve their seemingly impossible goals. The management team is comprising of qualified people and stalwarts from medical, academic, legal and business fraternity. Their varied skills-sets help them in coming up with the vagaries of technical education field.

The team of the highly qualified and experienced academicians strives to achieve this credo under the proficient guidance of the Principal of the Institution. The team has an indomitable spirit to nurture and educate potential professionals and bring laurels to the institute.

About Department
Department of Civil Engineering has one undergraduate program and two post graduate programs with specialization in Structural Engineering & Environmental Engineering. The department is not only involved in teaching, research but also in various consultancy project like, third party assessment of Jalyukta Shivar Abhiyan, rural drinking water supply scheme etc.
About the FDP
The primary responsibility of faculty is not only to inspire students towards a higher vision but also to create a strong sense of bonding between the institution and the students to nurture a stress-free holistic environment. To enhance the quality of life for the faculty members enabling them to introspect and learn techniques that imbibe ethics & morals in their teaching and help prepare students for active and successful participation in a modern society, producing individuals of high character, probity and honor.

Proposed FDP is helping to imbibe the skills and competencies required to achieve goals directed by values, to maintain and enhance faculty effectiveness by inculcating dynamism and leadership qualities and to develop commitment and ethical approach towards work, and instil a sense of responsibility towards the institution. Also to enhance communication and soft skills, by introducing innovative teaching methodologies and developing an interpersonal connection with students.

Eligibility
Faculty from AICTE approved technical Institute and Industry Professionals deputed by Industry of any discipline are eligible to participate.
